Go North on the **Turnpike** to Lake Worth Road. Go West (right) to 441 (SR7), then go North (right) to Forest Hill. *See asterisk. Or on **I-95** go North to Forest Hill and then West to 441 (SR7).

*At 441 and Forest Hill, go West on Forest Hill, past 441. Continue West on Forest Hill into Wellington, you will go about 3 miles. Look for the Methodist Church on your right, continue on Forest Hill past the church, you will then go over a small bridge. Make a right on Stratford Str. directly after the bridge. This is our street, you will cross another small bridge, we are almost at the end of the street, 5th house from the end on the left side 12149 Stratford Street. Look for the balloons on the house!
