Jewelry is a girl's best friend. Bling!

Start a charm bracelet. Buy one sterling silver charm from your trip and then add it to your charm bracelet. They are generally priced between \$5 and \$12 with the average about \$9. Surprisingly enough, many places do carry little silver charms. I have gotten some very unique ones. I have been doing this since I was a young girl and now I actually have too many so I have started a 2nd bracelet. My mother has one and I have started one for my daughter. It is beautiful, you will love it, use it and you will also get compliments on it.
